made of mull or silk or any of the gays of small ribbon or silk buds-all scented-are among the Christmas offerings for this year that hardly printed flowers or covered with dots cost more than the time it takes to

dark red rosebud of ribbon or silk must realize by this time that it not years ago.

All things considered the peerless whose Christlike toil shows man his is mounted with them and a few milli-only requires the help of the pupils All things considered the peerless nerv leaves of rose foliage. There a half-yard of all-over lace and three- nery leaves of rose foliage. There quarters of a yard of lace plaiting are usually plenty of these among which is bought ready made. A circle one's discarded millinery flowers. If they are crumpled they may be pressed lightly with an iron-not hot

The ribbon rose is more difficult to make, but most beautiful for a cor-

sage ornament. It requires from one to one and a quarter yards of rather ting the ribbon in lengths of two and a half inches. A tiny covered wire is tacked in with invisible stitches along the sides and upper edge of the petals and these petals curled back over a hatpin. The lower edge is folded to shape the petal and sewed to place. A heavy wire forms the stem. Fasten at one end of this a small wad of cotton the size of a thimble and cover it with a bit of silk, winding it to the stem with thread. Next wrap a bit of ribbon tightly about this center and then place the ing with stitches to the stem. When the rose is finished fasten it to the millinery foliage and stem, or wind the wire stem with green baby rib-

proper remedy at once. There is nothing better in the world than Dr. King's New Discovery. Lewis Chamberlin, of Manchester, Ohio, writes about his children: "Sometimes in severe attacks we were proved what a certain remedy Dr. King's New Discovery is, we have no bon, if a millinery stem is not used.
